J. E. Hubinger has sold to a Texas party the pacer, Barren D., 2:24, for \$5,000.

T. C. Rankin sold to S. J. Proctor, of Illinois, yesterday 411,000-pound cattle at 4c.

S. H. Haughton bought the Adam Carpenter farm in Casey containing 268 acres at \$32.

Wilkinson & White bought of G. W. Carter a lot of hogs at 4.10 and sold 100 sheep at \$3.25.

Col. Underwood has bought D. N. Prewitt's farm of 112 acres near Hedgeville for \$5,000 cash.

Jonh Hickey sold to J. L. Yantis 20 calves at \$15. He also sold a lot of yearlings at \$1c and heifers at 3c.

Hall Bros., of Versailles, sold to Lawson, of Boston, the three-year-old saddle mare, Gypsy Queen, for \$3,000.

W. M. Matheny bought of George Holmes 30 ewes at \$1 and sold to McCaskey & Anderson 70 hogs for Nov. 10 delivery at 4c.

H. H. Harris, of Chicago, bought 1,600 cattle in Hill county, averaging 1,100 pounds, which will be used for beef. He paid 4c, which makes the transaction amount to \$70,400.

Mark Hardin sold to R. C. Hocker four sows and 23 pigs for \$15 and a lot of sows at 4c. He sold to G. T. Wood a bunch of lambs at \$2.25. He bought of Will Cordler a cow and two calves for \$24 and sold to E. P. Woods a bunch of calves at \$10.

The potato crop, according to Orange Judd Farmer's final report in its issue of Oct. 20, at the practical completion of harvest, approximates 239,000,000 bushels, or nearly five million bushels less than last year and a fairly good yield compared with averages of the past 10 years.

C. D. Chennault sold to H. B. Land, of Jessamine, 200 sheep at \$5. Robert White sold to J. W. Bates 50 export cattle, averaging 1,400 pounds at 34c. The farm of the late Emily A. Boggs, near town, consisting of 210 acres, has been sold to E. P. Jones for \$10,017.60.—Pantagraph.

There were about 150 cattle on the Lancaster market yesterday, but owing to the scarcity of water there was little or no demand for them. A small bunch of steers brought 4c and some butcher cattle 24 to 34c. No heifers sold. Aged mules sold at \$5 to \$135 and mule colts \$25 to \$60. Horses were dull.

J. N. Vanhook, of Garrard, bought of W. E. Dawes his farm of 35 acres, on the Somerset pike and a small amount of knob land for \$1,500. Mr. Dawes will likely move his family to Somerset. Mr. Vanhook, who is also an excellent citizen, left Lincoln a few years ago and like a sensible man, he comes back.

The Lexington track now holds these honors: The fastest mile ever trotted to wagon, The Abbot, 2:03; the fastest mile ever trotted to wagon, driven by an amateur driver, Lucille, 2:07; the fastest mile ever trotted in a race over the Lexington track, 2:07, by Charles Herr; and the fastest mile ever paced by a two-year-old filly, Alice Mapes, (in a work out), 2:09, made at the recent meeting. Besides this, Borlana trotted in 2:08, and tied the four-year-old gelding record of 2:08, made by John Nolan in 1898.

There is every indication that the democrats will win out in the Ninth district and elect Hon. J. N. Kehoe to Congress by a triumphant majority. Pugh is kept busy explaining why he voted on every occasion, 15 times in all, to unseat democrats and give their seats to republicans, one of them a Negro, and the more he explains the worse he makes matters.

A new minister walking down the street encountered a little chap vainly trying to ring a door bell, which was too high above his head. "Wait my little son," said the good man. "Let me ring for you," and he gave the bell a vigorous pull. "And what now, my boy?" "Now," said the boy, "run like h—!" That's what I'm going to do."

What most people want is something mild and gentle, when in need of a physic. Chamberlain's Stomach and Liver Tablets fill the bill to a dot. They are easy to take and pleasant in effect. For sale by Craig & Hocker, Druggists.

Hon. Judson Harmon, Mr. Olney's successor as attorney general in President Cleveland's cabinet, has written a letter announcing that he will vote for Bryan for president.

A FRIGHTFUL BLUNDER
Will often cause a terrible burn, scald, cut or bruise. Buckhorn's Arnica Salve, the best in the world, will kill the pain and promptly heal it. Cures Old Sores, Fever Sores, Ulcers, Holes, Felons, Corns, all Skin Eruptions. Heals the cure on earth. Only 25c a box, cure guaranteed. Sold at Penny's Drug Store.

MATRIMONIAL.

John Cunningham, of Burnside, and Miss Catherine Tuttle, of Monticello, were married last week. The groom is a brother of Editor R. O. Cunningham, of the Danville News.

The wedding of Miss Elizabeth Van Meter, of Boyle county, and Mr. John Woodford, of Bourbon county, will be celebrated at the First Presbyterian church in Danville Wednesday.

Charles Sue Lee, a Chinese laundryman of Evansville, married Miss Clara Willson, a handsomely dressed and rather good-looking young woman, of Henderson, the father of the young woman accompanying her to Louisville and signing the marriage license.

Miss Letta Gooch, the accomplished daughter of E. S. Gooch, of Somerset, and Mr. Morgan Fultz Reids, a prominent young business man of the same city, will be married at the Baptist church there at 8 P. M. Wednesday, Oct. 31. Miss Gooch is a very talented musician and taught in Ashland and other towns. She attended the Cincinnati conservatory of music and stood at the head of her class.

The marriage of Mr. Andrew Gooch and Miss Laura H. Holtzclaw occurred at the home of the bride's mother at Gilberts Creek last week. Eld. J. G. Livingston performed the ceremony, after which he led the party, followed by a large number of relatives and friends, to the dining room, where a splendid supper was served. The attendants were Mr. Albert Gooch and Miss Nannie Dudderar, Mr. Lee Holtzclaw and Miss Mary Perkins. The bride is the only daughter of the late William Holtzclaw and is pretty and accomplished. Mr. Gooch is a young man of good habits and is a prominent farmer. They received many handsome and valuable presents and the writer joins the many friends of the young couple in wishing them a long life and happiness. Z.

At Nevada, Mo., the Farmers' Bank was entered by three masked men who blew the safe and secured about \$5,000. Constable William Maron, who heard the explosion, fired into the darkness to alarm the town. The robbers returned the fire, killing Maron instantly.

GAME NEAR DYING.

"For three days and nights I suffered agony untold from an attack of cholera morbus brought on by eating cucumbers," says M. E. Louthier, clerk of the district court, Centerville, Iowa. "I thought I should surely die, and tried a dozen different medicines but all to no purpose. I sent for a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy and three doses relieved me entirely. I went to sleep and did not awake for eight hours. On awakening a few hours ago I felt so gratified that the first work I do on going to the office is to write to the manufacturers of this remedy and offer them my grateful thanks and say 'God bless you and the splendid medicine you make.' This remedy is for sale by Craig & Hocker, Druggists.

ROBBED THE GRAVE.

A startling incident, of which Mr. John Oliver, of Philadelphia, was the subject, is narrated by him as follows: "I was in a most dreadful condition. My skin was almost yellow, eyes sunken, tongue coated, pain continually in back and sides, no appetite—gradually growing weaker day by day. Three physicians had given me up. Fortunately a friend advised trying 'Electric Bitters,' and to my great joy and surprise, the first bottle made a decided improvement. I continued their use for three weeks and am now a well man. I know they saved my life and rolled the grave of another victim." No one should fail to try them. Only 50c, guaranteed at Penny's Drug Store.

Gov. Roosevelt has become alarmed at the success of Mr. Bryan in New York. In a speech at Charleston, W. Va., he accused Mr. Bryan of insincerity regarding the trusts, because he depends on an alliance with Croker to carry the Empire State.

LANCASTER.

Miss Althea Marksbury will entertain a few friends Tuesday evening.

Our boys defeated the Stanford boys at foot ball last Friday, the score being 6 to 0.

Mr. J. I. Hamilton will take a carload of horses to the Southern market this week.

The new election law is fair enough, but the republicans would only be satisfied with a law that would insure the election of their ticket.

My absence prevented the report of the marriage of Mr. Andrew Gooch to Miss Laura Holtzclaw and Mr. T. J. Stigall to Miss Lucy Hallard.

Mrs. Rose has organized a working Hive of the L. O. T. M. in this city. The charter members are some of the most intelligent ladies in the community.

Messrs. W. G. Anderson, Ed Price and Price Bros. have sold several lots of cattle at 4c. Mr. R. L. Elkin took several premiums on his fowls at Atlanta.

Hon. N. B. Hays failed to appear here last Friday night and Hon. Letcher Owsley made a speech to the Gilbert Club, which could not be beat by Mr. Hays or any man.

Kid A. R. Moore will be absent for two weeks, holding revival services in Hickman county. His pulpit will be filled next Sunday by Eld. R. M. Campbell and Sunday night by Eld. W. P. Walden.

The INTERIOR JOURNAL, under the sole management of Mr. E. C. Walton, will still be welcomed here as it is conceded that he is one of the best newspaper men in the State, and that he and his brother, W. P., are birds of a feather.

Mr. John L. Anderson, of Washington City, is at home to stay long enough to cast his vote for Bryan, Beckham and Gilbert. Mr. Richard Pettus has been to Somerset. Mr. J. L. Woner has purchased the Nicholasville mail line and he will soon take charge.

Miss Fannie Collier entertained a few friends Thursday evening. Mr. Ed Arnold has been sick for a few days. Jesse Arnold is at his post again. The Shuman Concert Company played to a \$65 house Saturday night. Dr. J. G. Carpenter was here with Dr. Wesley Sunday.

A telegram sent from here to the Louisville Post overestimates the crowd that heard Col. D. G. Colson. There were some vacant seats in the court house and a part of the crowd was made up of democrats. Neither is it true that McKinley will carry this county by 500 to 600 votes. The democrats will not lose 21 of their number instead of 123, as stated in that telegram. Such reports are calculated to mislead the public.

Under the supervision of Chairman J. E. Robinson, the democratic clubs in this county are growing rapidly. Hon. John T. Hays spoke at Bryansville Saturday; Hons. W. J. Price and J. E. Robinson at Paint Lick and Hon. R. H. Tomlinson at Herring's Schoolhouse, to the Kauffman Club, Thursday night. Good crowds attended and the speakers fired the boys with true blue democratic doctrine. The Kauffman Club had a barbecue and a regular love feast in Sam Bourne's barn lot. The club fears the loss of only one man, "Red Bill" Bourne. Hon. Robert Harding is expected to speak here today, Monday.

George F. Hoar is not in earnest in his support of President McKinley, for he has in express terms denounced the Philippine policy of the administration as destructive of the republic. Chauncey M. Depew is not in earnest, for he has declared, in phraseology that can not be misunderstood or given a modified meaning, that the acquisition of the Philippine Islands would be utterly hostile to our system of government. Albert J. Beveridge is not in earnest, for only a short time ago he denounced the Porto Rican policy pursued by the president and Congress.

A THOUSAND TONGUES.

Could not express the rapture of Annie R. Springer of 1125 Howard St., Philadelphia, Pa., when she found that Dr. King's New Discovery for Consumption had completely cured her of a hacking cough that for many years had made life a burden. All other remedies and doctors could give her no help, but the says of this Royal Cure—"It soon removed the pain in my chest and I can now sleep soundly, something I can scarcely remember doing before. I feel like sounding its praises throughout the universe." So will everyone who tries Dr. King's New Discovery for any trouble of the Throat, Chest or Lungs. Price 50c and \$1. Trial bottles free at Penny's Drug Store, every bottle guaranteed.

Fox & Lawson bought several bunches of hogs at 4c and some cows at 2 to 24c.

A lame shoulder is usually caused by rheumatism of the muscles, and may be cured by a few applications of Chamberlain's Pain Balm. For sale by Craig & Hocker, Druggists.

Wm. Curtiss sold to C. H. Yeager two mule colts for \$43.

THE INTERIOR JOURNAL

STANFORD, KY., - OCT. 23, 1900

E. C. WALTON.

DEMOCRATIC TICKET.

For President,
WILLIAM JENNINGS BRYAN,
Of Nebraska.
For Vice-President,
ADLAI E. STEVENSON,
Of Illinois.
For Governor,
J. C. W. RECKHAM,
Of Nelson.
For Congress,
GEORGE G. GILBERT,
Of Shelby.

IN assuming entire control of the INTERIOR JOURNAL, I recognize that I have undertaken a serious responsibility, which I shall endeavor, with the kind indulgence of the patrons of the paper, to discharge with fidelity and with all of the ability of which I am capable. Believing more in performance than in promises, I will make but few, and taking the high standard that the paper has made and maintained as my guiding star try not only to keep it up, but make it even more worthy of the patronage and confidence of the public to which I appeal for kind consideration and a hearty support. The INTERIOR JOURNAL has been in the Walton family for more than a quarter of a century and it shall be my aim that when I turn it over to another member of it, 25 years hence, it will be with a reputation as unimpaired and with its patronage increased in the same value that it has increased in the last 25 years. I am personally known to the greater number of our 3,000 subscribers and I am sure that the cordial relations existing between us will be increased by the more intimate contact existing between editor and reader and that I shall have their cordial support and good wishes. Invoking both I assume my new duties with a strong heart and absolute confidence that success will crown my efforts.

E. C. WALTON.

IN view of the fact that Mr. Yerkes' friends are so indignant over the charge of James Andrew Scott about what transpired at the Galt House conference, it certainly does behoove Mr. Yerkes now, in response to the oft repeated inquiry of the INTERIOR JOURNAL, to tell what actually took place at that conference. If what Mr. Scott charges is true, we can readily understand why Mr. Yerkes felt constrained to put a plank in that platform endorsing Taylor. We are loath, however, to believe the charge of Mr. Scott without hearing from Mr. Yerkes and we again cordially invite him to answer the interrogations that have so often appeared in these columns. As Mr. Yerkes is ultra fashionable and thoroughly posted on all of the mysterious movements of society, his nonsense to perform, we now, in hope of getting a response, append to the invitation the tallman, R. S. V. P.

IN a speech in South Dakota, Mark Hanna accused Bryan of "descending to public lying from the rostrum every day." As Hanna has been convicted time and again of both lying and stealing, a charge of the sort made by him might be considered in the nature of expert testimony, but it is not. It is simply the emanation of a mad driven to bay and has nothing else to say. It is also further confirmation of the fact that the real head of the administration is a coarse and vulgar creature unworthy of decent consideration.

BY a mistake in the count in the votes, or some manipulation of the returns, it develops that Elias Howe, the inventor of the sewing machine, was not elected to a place in the Hall of Fame. Although Mr. Howe may thus be doomed to oblivion, his work will not likely be forgotten as long as there is any sewing to be done.

THE coroner of Louisville has been demanding a division of fees from the undertakers on account of the business he has thrown in their hands. So it may be that his object in killing the young man there recently was to increase the business from which he gets a take-out.

AN alleged interview with Senator Deboe appears in a republican exchange, in which he predicts that Yerkes and McKinley will carry Kentucky, but as the interview contains as many as 20 solid lines and has no grammatical errors, it is apparent that it is a fake.

E. H. BALDWIN, an Arctic explorer, says he is going to hoist the American flag on the North pole. We hope that it will not require as much money and as many soldiers to keep it there as it does in the Philippines.

THE Distilling Company of America has been restrained by the court from watering its stock. While it was at it, the court should also have restrained it from watering its product.

THE election bill passed is substantially the same measure which the democrats of the House, including the Brownies, passed some time ago, except that the sheriff of each county is made the umpire on the county board. The bill might have been enacted into a law in time to become operative at the approaching election but for the capricious opposition of republicans and Brownies in the Senate, who, holding a majority in that body, insisted upon numerous minor amendments, only to abandon them after they had served the purpose of obstructing the passage of an election bill until too late to make a new law operative at the November election. Had these Senators done two weeks or 10 days ago, what they have now done, the election to be held next month would have been conducted under the new law.

IN his speech to the jury in the Youtsev case, Attorney Franklin took occasion to pay Judge Cantrill a deserved tribute and to defend him from the cowardly attacks of assassins and their organs and spokesmen. The judge, however, does not need such defense. He is capable, honest and incorruptible, and under the most trying circumstances has deported himself as only a gentleman thoroughly appreciative of his high position could have done. A great deal of mud has been thrown at him, but it has rebounded on the throwers and left his ermine as pure and spotless as the snow. The law-abiding, law-loving people of the State owe a debt of gratitude to Judge Cantrill that they can never fully repay. All honor to him.

OUR republican contemporaries have thus far failed to call the colored brothers' attention to the fact that Mr. Taylor, whose enforced absence is noted in criminal circles, agrees with Mr. Roosevelt as to the Negro's reliability upon "the firing line." Mr. Roosevelt said that he had to use his revolver to keep the colored soldier to the front when danger threatened, and Mr. Taylor, speaking through his valued friend, Mr. Youtsev, says that he would not entrust one of those little republican assassination jobs to a Negro. Small show indeed does the colored man stand when the republicans are handing out their tidbits.

WILHELMINA, the young queen of Holland, is to be married soon to Duke Henry, of Mecklenburg-Schwerin, who is the man of her choice, against the protest of her cabinet. If all the crowned heads of Europe would have their own happiness in view when they marry instead of expediency they might possibly be in a humor to do more for the happiness of their subjects.

A LOUISVILLE man has sued the proprietors of the Buckingham theatre for \$10,000 damages on account of being ejected from that resort. Judging by its reputation, it seems that a man would be benefited instead of damaged by being ejected from that den of corruption.

SENATOR E. G. MILLS, of Wisconsin, in a speech at Lexington, exulted over Goebel's assassination. The only difference between him and the bulk of his party in this State is that he has the effrontery to state what he thinks, and they have not.

WE are glad to see that the curfew law has been adopted in Lexington, as it will, we hope, prevent a young man who recently went from this section to that city from running around at night and falling into bad company.

FOUR years ago the republicans made much ado over the fact that it required two tails to hold down the head of the democratic ticket, but this year they are sadly in need of two heads to hold down the tail of their ticket.

THE republicans, it is said, have padded the Chicago registration lists with 40,000 illegal names. A law loose enough to allow just such procedure in Kentucky is what that party is hankering after now.

A LARGE bomb exploded at the door of the court house while John D. White was speaking at Richmond. Mr. White never speaks without exploding at least one bomb and frequently a greater number.

DAVID B. HILL says Bryan will carry New York and Indiana. It will be remembered that the only epigram of Cleveland that ever made any impression on Hill was "tell the truth."

AS soon as Hanna began his oratorical tour in the Northwest, the mercury dropped to the freezing point. This indicates that he is meeting with a cold reception.

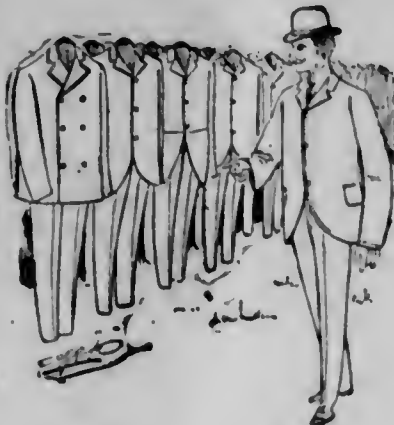

A NEGRO was lynched at Elkton for assaulting a white woman. Lynching is a fearful thing and the only way to stop it, is to stop the crime that always causes it.

OLD John Sherman is about to die again. If he had only died a few years ago, he would have saved McKinley a world of trouble.

THE robbery of the postoffices still continues and along with this news comes the report that the republican campaign fund is daily growing in size.

POLITICAL.

Wagers at odds on Bryan carrying Kentucky are offered at Indianapolis with no takers.

Of the 62 Brownies in Greene county last year 56 have come back to the democratic party.

The platform fell with Hanna at Auburn, Neb., but the only casualty was a broken leg for a boy.

Ex-Gov. Altgeld says the republicans have padded the Chicago registration lists with 40,000 fraudulent names.

A Porto Rican was refused permission to register in New York. The case will be taken to the United States court.

William J. Bryan will receive the votes of nine professors of the Missouri State University who did not support him in 1896.

Democratic campaign managers in Indiana are confident that only the wholesale use of money can prevent the State from going for Bryan this year.

After David B. Hill's speech at Lafayette, Ind., 85 gold democrats called on him and pledged their support to Bryan and Stevenson.

MR. WILLIAM DOBB says that when Hon. Vincent Boreling spoke at Hustonville some time since the 11th district was well represented, but precious few voters from the 8th honored the Congressman with their presence.

It is just two weeks from today till the election. You can do the democratic party a great deal of good in that short time if you will go to work and keep it up. A few votes might be worth a great deal in the final result; won't you help try to get them?

DEMOCRATIC SPEAKING!—Hon. R. W. Miller, of Madison, will speak at Hubble, Wednesday night, Oct. 21; at Kingsville, Thursday night, Oct. 25; at McKinney, Friday night, Oct. 26; and at Rowland, Saturday night, Oct. 27. You are most cordially invited to hear him.

THE Courier Journal's correspondent says that between 3,000 and 3,500 head Messrs. Yerkes and Bradley at Danville Saturday. Judge M. C. Sauley and Dr. W. H. Penny, who saw the crowd, estimated it at 500 or 600. The colored brother was very much in evidence and he enjoyed Saxton's soul-stirring music greatly.

BARN BURNED.—The splendid, large barn of Hon. B. B. King, of Moreland, burned about 3 o'clock Saturday morning, three mules, a line stallion, lots of feed, implements, &c., being consumed in the flames. It is not known how the fire originated. The barn alone cost \$1,000. The mules were valuable ones, while Mr. King had recently refused \$800 for the stallion. A corn crib close by also went up in the flames. The loss is about \$1,000 with no insurance.

THIS is not very local, but as our merchants might get caught like this Louisville firm did, we print it: The Kentucky game law has been sustained by the court of appeals. The Chase-Davidson Co., was fined in the police court for selling quail during the close season. The circuit court reversed the judgment. The appellate court reverses the circuit court and orders the fines re-instated. This company had on hand 800 quail and as the fine is \$5 each they will have to pony up \$4,000.

THE Lincoln county co-operation meeting at the Hubble Christian church Saturday was the largest ever held in the county. The good people of that section spread an excellent dinner and the 600 or 800 who ate left enough for as many more. Splendid addresses were made by Elds. J. T. Brown, of Louisville, B. J. Hankerton, of Hustonville, G. W. Mills, of Junction City, Joseph Ballou and J. G. Livingston, of this county. The annual election of officers resulted as follows: P. W. Carter, president; A. D. Root, vice president; George A. Peyton, secretary, and J. W. Powell, treasurer. This body is now out of debt entirely and has over \$100 in the treasury, President Carter tells us.

NOTICE TO TAXPAYERS.—Six per cent will be added to all city taxes not paid by Nov. 1, 1900. L. R. Hughes, collector.

IT's a surprise to many lovers of fine footwear to find in a little town like Stanford, Hanan's Shoes. They are sold by John P. Jones.

ANOTHER small crowd greeted Hon. W. H. Zeigler, the prohibitionist, at the court-house Saturday night. He did not fill his appointment on the street Saturday.

A COOP of handsome Black Minorca chickens passed through here yesterday to the secretary of the Inter-State Fair at Atlanta, Ga. They were from R. L. Elkin, of Lancaster.

POSTMASTER J. C. FLORENCE wrote to headquarters about the supplement we spoke of his refusing to let us send out in our paper and he finds he did right in depriving us of the privilege, i. e. the department sanctions his decision.

THE verdict of life imprisonment for Henry Youtsey, charged with being in the conspiracy to murder Gov. Goebel, was read from the INTERIOR JOURNAL'S bulletin board less than a half hour after it was rendered at Georgetown Saturday morning.

THE Warren Grigsby Chapter is requested to meet with Mrs. J. W. Alcorn this afternoon at 2 o'clock. It is important that every member be present as a delegate to the National convention at Montgomery, Ala., will be appointed at this meeting.

IT will be noticed that the INTERIOR JOURNAL has resumed its former size. The change is made for sundry reasons, the principal being that we had considerable difficulty in obtaining the best results from our large press, which is still on hand to be used as occasion may demand.

AT Lancaster yesterday there was general disappointment at Senator Jo C. S. Blackburn's failure to fill his engagement, but Hon. W. J. Price, of Danville, and R. W. Miller, of Richmond, gave the crowd some good democratic doctrine and the silver-tongued Senator was forgotten for the while. Wood Dunlap, of Lexington, told the republican tale of woe.

WITH no contest to look after, Hon. G. G. Gilbert will be in position to do much good for his constituency during the next two years, his experience being of incalculable advantage to him. Unlike his opponent, Dr. John Williams, he is a man of ability and resources and a statesman worthy the name. Show your appreciation of him by stamping under the rooster and your vote will be recorded for Bryan, Stevenson and Beckham as well.

SPEAKING.—W. S. Hurch will speak at O. K. School-house Friday night, Oct. 26th; Holdam's Mill Saturday afternoon 1 o'clock Oct. 27th; Round Knob School-house Saturday night, Oct. 27th.

W. S. Hurch and George B. Saulley will speak at Richards' School-house Monday night, Oct. 29th; Moore's School-house Tuesday night, Oct. 30th; Chestnut Ridge School-house Wednesday night, Oct. 31st; Neal's Creek Thursday night, Nov. 1st.

A LARGE crowd came to town last night expecting to hear Senator Jo C. S. Blackburn, but that gentleman had cancelled his dates, owing to the death of his son-in-law, and while there was some disappointment, Hon. Richard W. Miller, of Richmond, who filled his engagement, soon dispelled it and in a ringing speech of nearly two hours presented his side most creditably. He is a very ready and polished speaker and we believe a great future awaits him. He is only 30 years old, but he handled State and National questions with the ability of a veteran on the rostrum. Mr. Miller has a list of appointments in this county beginning at Hubble Wednesday night and if our friends want to hear a real good speaker they should turn out in force when he comes in their midst. Hon. R. C. Warren was called for when Mr. Miller had concluded his remarks and he responded with a timely talk.

THE following gentlemen were appointed by the county board of election commissioners, Messrs. J. K. Baughman, J. M. Alverson and J. A. Blain, Saturday, to serve as officers at the election which is to be held two weeks from today. They are a splendid set of men and will give general satisfaction. Cook, at Indianapolis. Mrs. Perry King was summoned by telegraph to Corbin to see her little grand-daughter, Ruth Andrews, who is down with diphtheria.

DEAFNESS CANNOT BE CURED

My local applications as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed, it causes a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever. Nine cases out of ten are cured by Catarrh, which is a swelling but an inflamed condition of the mucous surfaces.

We will give the Hundred Dollars for any case of Deafness (caused by Catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circular free. F. J. CHENEY & CO., Toledo, O. Sold by Druggists.

In his speech at Lexington Gov. Bradley took occasion to vehemently deny the charge that he had any information of a plot to assassinate Gov. Goebel. He asserted that he had been excused by counsel for the defense from testifying in the Powers and Youtsey trial for the reason that he knew nothing to tell.

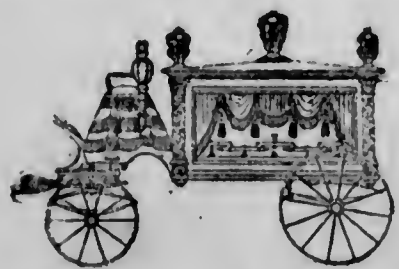

For sprains, swellings and lameness there is nothing so good as Chamberlain's Pain Balm. Try it. For sale by Craig & Hocker, Druggists.

The political speaking here last Thursday night was attended by quite a large crowd. The speakers were Hon. Ben V. Smith, candidate for congress, and J. W. Colyer, both of Somerset. Judge Belden and Mr. Broadus Cockrum were the republican speakers.

KIRKSVILLE.

The teachers' association met at Gilthead, Saturday, which was a very enjoyable affair, especially the dinner.

A cake walk by the juniors is going to be one of the features of our entertainment on the 9th of November.

Kirksville has taken on new life since the opening of the Secret Normal and Business Institute. Painting, repairing, etc., are the order of the day.

We see nothing from Preachersville in the JOURNAL. We wonder if one of the Normalites, the former pupils of Prof. Secrest, can not give us items from that wide-awake village?

Will Lawrence, the popular salesman in J. B. Walker's large store, is a democrat who has the right ring. He says he eats, sleeps, sings and whistles democracy. He has named all the cats, dogs and pigs about his place Bryan and Beckham.

Misses Elizabeth and Kate Oldham are visiting their aunt, Mrs. John Deity, this week. Prof. Secrest visited the teachers' association at Cartersville last Saturday. He addressed the association on the co-operation of "Teacher and Parent."

Miss Pattie Willis accompanied her sister, Mrs. McMurry, home. Arthur Tevis is visiting his father, W. T. Tevis. Mrs. Will Miller and Miss Mary Miller were guests of Mrs. Oldham. Burton Faris spent Sunday at home. Miss Nell Mershon is visiting Miss Lena Palmer.

There is a great deal of sickness here, especially among the children. Little Walter Stone Tevis is about well and Ellen Walker is better. Prof. M. D. Hughes, of Lancaster, was on our streets last week. The professor is a Maccabee of the Maccabees. The young Bees here say he is the King Bee.

In his speech at Danville, Saturday, Mr. Yerkes took occasion for the first time to deny the allegations of the Hon. James Andrew Scott with reference to the alleged secret conference at the Galt House, in Louisville, at which time Mr. Scott believed the death of William Goebel was ordained, by saying "that at no time, by no person, in no way, was the murder or death of, or the doing of harm in any way, or in any form to Senator Goebel, or to any other person mentioned or discussed at that conference." This may be true, but why has Mr. Yerkes remained silent so long though repeatedly asked to deny or affirm? He could have saved himself much trouble by answering questions propounded to him last June by a paper published within 10 miles of his home and which have confronted him in newspapers all over the State. The assassination scheme may have not been concocted at the Galt House conference, but every one of those named by Mr. Yerkes as being present on that occasion has since endorsed the acts of those who did conspire and carry into execution the damnable plot to remove Mr. Goebel. There may be a difference between the man who plans and commits, and the one who approves an unlawful act, but it is the small difference between twaddledum and tweedledee. In fact, if there be any difference, it is in favor of the former, for it takes a certain kind of courage to commit a criminal act, while any coward can approve of one. It is, therefore, not a matter of much moment whether Mr. Yerkes helped plan the crime or not. He and his party endorse and approve its execution, and they must answer for it two weeks from today, when we hope and believe the verdict against assassination as a means of government, will be so decided that assassins and their sympathizers will be forever done for.—Lexington Morning Democrat.

TWO FARMS FOR SALE.

Having decided to change my vocation, I will sell privately my farm on which I live, 240 acres of land in good state of cultivation, on a fine river bottom land, that is fine and productive. It has 50 acres of upland and well adapted to corn, wheat, timothy and all other crops. A brick dwelling of 6 rooms and a well of splendid sweet water at the door, two good business houses, new barn and all necessary outbuildings, with plenty of good fruit and an abundance of stock and equipment, the most desirable farm in this part of the country.

Also a farm of about 100 acres, 1 mile from Crab Orchard, Ky., on Lancaster street, opposite the famous Crab Orchard Springs. All in grass with a large stock barn and an abundance of water, with one of the finest building sites in the neighborhood.

Also a nice cottage in Stanford, Ky., on Lancaster street, with good water, garden, &c. attached. For further particulars call on or address:

Farm For Sale!

West Lincoln County Farm!

An unimproved & approximately

240 ACRES!

Two miles from Hustonville, immediately on the Hustonville and Liberty turnpike road, and lying between the lands of T. L. Carpenter and J. P. Riddle. There are fifty acres to about this fall, twenty or twenty-five acres of original growth of timber, consisting of immense sugar trees, wild cherry, black walnut, yellow locust, &c.; remainder in blue-grass. A great abundance of water from springs that never fail, even in the driest seasons. Enough timber can be cut and sawed on the place to improve same, and there are plenty of locust and mulberry for fencing purposes. This boundary has been used for grazing purposes for years, and no better blue-grass land is to be found in the State. Will price reasonably and give long time on deferred payments. Mr. James Vantis, on the John D. Carpenter place, will show the land to any applicants, or apply to W. I. LEITCHER, Danville, Ky.
